PETITIONING THE COURT

- ☐ To extend the term of supervision for ____ year(s), for a total term of ____ years.
- ☒ To modify the conditions of supervision as follows:

The defendant shall reside and participate in a residential re-entry center at the City of Faith in Little Rock, Arkansas, for a period of six months when placement is established. The defendant shall abide by all rules and regulations of that facility. The defendant may leave the facility for employment or treatment but will not be eligible for weekend passes, furloughs, or any other temporary passes from the facility without prior approval from the Court or the U.S. Probation Office.

The defendant shall have no contact directly or indirectly with Kira Castleberry.

CAUSE

The requested modification is in response to the defendant's noncompliance since the commencement of his supervised release on May 13, 2016. The defendant has not obtained gainful employment since the start of supervision. The defendant left the judicial district without prior approval on two separate occasions. The first incident occurred on July 24, 2016, when the defendant traveled to Moffett, Oklahoma, with his girlfriend, Kira Castleberry. During this visit, Ms. Castleberry reported an alleged physical assault on her by the defendant. The defendant was called into the office and reprimanded for leaving the judicial district.

The second incident occurred on August 25, 2016, when the defendant traveled to Moffett, Oklahoma, with his girlfriend, Kira Castleberry. During this visit the defendant came into contact with law enforcement on two separate occasions and he failed to report to the U.S. Probation Officer. One of the incidents resulted in law enforcement officers responding to a female in distress call. During this visit, Ms. Kira Castleberry reported an alleged physical assault on her by the defendant.

The above modifications are requested to provide a more structured environment, complete further treatment, while having added accountability of his responsibilities and whereabouts. The residential reentry center will assist the defendant in securing employment and teach skills that will assist the defendant with a smooth transition back into the community.

The defendant has spoken with Assistant Federal Public Defender Molly Sullivan, waived his right to a hearing, and has agreed to the modification listed above.
